Clysar Names Shorr Packaging 2018 Distributor of the Year

Shorr Packaging Corp. Receives Shrink Packaging's Top Award for Independent Distributors, for Delivering Exceptional End-to-End Packaging Solutions to Clysar Customers.

CLINTON, IA – Oct. 23, 2018 – Leading polyolefin shrink film manufacturer Clysar, LLC, announced that Shorr Packaging Corp., one of the largest independent packaging distribution firms in the nation, has been named the Clysar 2018 Distributor of the Year. The award celebrates the achievements of the elite distributor partner who has demonstrated sustained growth; solutions-based support for Clysar's shrink packaging program; shrink application innovation, a commitment to provide technical expertise; and exceptional customer value.

Shorr accepted the award at the Clysar distributor awards ceremony and reception, held at the Adler Planetarium in Chicago on October 15, 2018, in conjunction with Pack Expo 2018. Shorr Packaging has been a Clysar distributor for more than 20 years.

Vicki Larson, President of Clysar, LLC, commented, "We are pleased to honor the leaders and employee-owners of Shorr with our top award. In the past year, Shorr has performed at a superior level in a challenging and fast-changing industry, showing double-digit growth for the past three years. They know Clysar® shrink film products, they know shrink packaging equipment and they know how to make these elements work together to bring real value to our shared customers."

Shorr has demonstrated a commitment to shrink packaging, through acquiring top employee talent, a willingness to expand their North American footprint to support their customers' changing geographic bases and selling value to the market.

About Shorr Packaging Corp.

Shorr Packaging is an industry-leading, award-winning distributor of packaging products, equipment and services. Shorr represents the best-known packaging product manufacturers and brands in the industry and is one of the largest independent packaging distributors in the nation. Founded in 1922, Shorr is an established, employee-owned company with a long history and success record, all attributed to one simple principle—listen to the customer. Headquartered in Aurora, IL, Shorr Packaging Corp. is strategically positioned with sites across the U.S. The company's geographic locations allow it to access a network of national resources, while delivering local support and service to customers.

About Clysar, LLC

Founded in 1963, Clysar manufactures high-performance polyolefin films for a wide variety of packaging applications including e-commerce, produce, bakery, pizza, office supplies, hardware and consumer products. Clysar® offers the packaging industry's most comprehensive, customizable line of industry-leading shrink films, including: new PHOENIX™ premium performance shrink film; LTC Lowest Total Cost thin films; HP Gold all-purpose films; ShrinkBox® corrugate-replacement films; EZ-R and EZ Gold easier-to-run high-speed films; HPG Confidential opaque privacy films; LE Gold low shrink force films; and ABL "able to wrap" anything films. Headquartered in Clinton, IA, the company has over 300 employees focused solely on shrink film.
